Thread: [\[EVERYONE\] Twitch Contest - 1st Prize = 1 MILLION CHANNEL VIEWS \[6 RUNNER-UP PRIZES\]](#)

Spyro The Dragon - May 4, 2014, 3:45 am

Hello and welcome to my Twitch.tv giveaway!

As some of you may know, I've been giving away thousands upon thousands of Twitch channel views over the past few days, on this thread:

<https://hackforums.net/showthread.php?tid=4203399>

I've decided to turn this into a CONTEST!

How to enter:

Simply pick a number from 1-15, and write NO MORE THAN 5 LINES on why your channel deserves the views over the other channels.

NOTE: You are more likely to win if you actually stream. 1st prize will (more than likely) go to a channel that regularly streams.

GRAND PRIZE:

1 x 1,000,000 Channel Views

RUNNERS UP PRIZES:

1 x 500,000 Channel Views

2 x 250,000 Channel Views

3 x 100,000 Channel Views

That's right. There will be 6 WINNERS!

Good luck everyone. If you enter incorrectly, you will be disqualified.

Entrants:

Bane - May 4, 2014, 3:59 am

Number I choose: 5

Why I want to win: Well, currently I do not have the necessary graphics card that allows me to stream and in the future when I do get the money that is more than likely what I will be doing. Good luck to all!

Heulen - May 4, 2014, 4:47 am

number i choose: 7

why: because i want to be rly popular on youtube so i can brag to all my cool kiddo friends and my mom.

Spyro The Dragon - May 4, 2014, 5:48 am

Thanks for entering guys. C'mon, 18 more slots open!

The Hellblazer - May 4, 2014, 6:57 am

Number I choose: 17

Why: No one is really streaming in my country, I'm trying my best and so far people are appreciating, but there isn't enough audience enough to get big at all.

Thanks for the contest
Godd Luck all.

j1nx0 - May 4, 2014, 7:00 am

I'll take number 2 thanks mate!!

I have been streaming for a while and I see people who don't actually want to stay on my stream since it's not many people there, I see this as an opportunity to actually be able to get more views on my channel and get more people to actually think that this is a good channel.

And ofc, I love you.

Hulk™ - May 4, 2014, 7:01 am

I'll enter bro, get me any number
Why: cause I can

Moseby - May 4, 2014, 7:02 am

I will choose my lucky number 6.

I would really like these 1 million views because I stream on a weeckly basis, I stream mostly CS:GO, I play with friends, open cases and a lot more on other games too. So it would mean a lot for me to get these views.

Thanks for doing this and goodluck to everyone

Re-read the thread man, you didn't do it right!

-Destructive- - May 4, 2014, 9:22 am

I'll take number 14, I really want to win this cause I have recently joined twitch and I stream a lot of Minecraft if I had 1 million views it would show I am a legit guy and good at the game and streaming. GL to everyone and Thanks OP for the contest

Dragnite - May 4, 2014, 9:29 am

I'd like to get number 9.

I would like to enter this contest to receive any of the prizes of channel views, even though I got a free 100K from you already I feel I could use more, I am currently in the midst of getting Xsplit to work again but my Internet refuses to stream or even let me do an Xsplit bandwidth test, OBS also doesn't work due to it not liking my graphics card or something along those lines making it quite frustrating, I've been trying to stream WoW, Minecraft and speedrun a few games over the past few weeks but to no avail.

If I get this I would appreciate it so much and it would incline me to attempt to get my issues solved quicker as it may give me a reason to stream, more viewers = more people think my channel produces good streams etc.

iampoor - May 4, 2014, 1:02 pm

I will choose the number 3 please and thanks buddy.

Why: well because I'm considering buying a pvr or elgato really soon, I stream sometimes on the xbox one but I really need a hd capture card and to get some views would be fucking awesome.

This is not for my channel, but my friend's channel. He streams mainly Hearthstone and League of Legends and I believe he is really good. In my opinion, he deserves to have more attention on him, thanks!

Nate - May 4, 2014, 6:25 pm

I want this for my channel because who doesn't? Like seriously, 1 million views is like winning the Twitch lottery.

Good luck all, and thanks OP.
