Thread: [Find It On My Desk Contest \[Win 2000 OMC\]](#)

**Omniscient** - May 5, 2014, 3:14 pm

EDIT: CONTEST OVER. NO WINNER.

On my desk are 3 items in numbered highlighted green boxes.

1. A PSP game (name the game).
2. Candy (which candy is it).
3. Cigar band (what cigar brand).

Specifically name all three and get 2000 OMC. First to post wins. I don't expect this to be easy. Have fun.

Spoiler ([Click to View](#))

DO NOT PM ME GUESSES.

**Mr.Peanut** - May 5, 2014, 3:15 pm

Omni can you tell us if anyone has even just 1 answer right? You dont have to say which one or who it is.

**Omniscient** - May 5, 2014, 3:50 pm

The cigars may be tough. As a hint...I bought them here:

<http://www.cigarsinternational.com>

I bought of box of them. They were Corona size.

So far not even one correct answer. So all previous posts with a guess are wrong.

Quote:The cigar brand is: ROI-TAN OR PHILLIES OR ALEC BRADLY.

One of the cigars band in the picture is an Alec Bradley but not the one for this contest.

**Salute** - May 5, 2014, 3:50 pm

I think the PSP game is GTA 4, I'm not sure but the cigar brand might be black and mild, on the candy I'm just going to say Reese's cup because I'm not sure what it is.

**Isidar** - May 5, 2014, 3:50 pm

**Year?** - May 5, 2014, 3:55 pm

**Charaoh** - May 5, 2014, 4:13 pm

What if that's not a game. It could be a UMD movie or something. As for that candy, what if its literally called candy, the P might be upside down and it could be a D, the font is variant. As for the cigar, you say you don't smoke in the house, so do you collect the wrappers or something? because if not, than that might just be a map or something.

1. Twisted Metals Heads On - The 7th psp game released and often bundled.  
2. It's a coffee candy called Kopiko. A google search for "coffee candy" will enlighten you. It's delicious if you like coffee btw.  
3. It's My Fathers Cigar which was 2013 cigar of the year. Probably a search for top cigars would have helped but I was thinking maybe another cigar smoker would recognize it.

Nice, i couldn't find much on the Cigars, wasn't here to see that one comment.

I definitely thought i could guess the candy, because of the starbucks on his desk.

Although, the PSP game was just a random guess. Everyone loves the Jak and Daxter series D:

Well honestly, if I was Omni, I would for sure have a gun on me at all times. There are crazy people in this world and you never know.. you can ban someone on here and next thing you know they have a huge grudge against you and they come to your house and try to kill you. I wouldn't be surprised, they do school shootings, why wouldn't they kill a guy sitting at home.

**Free Mason** - May 5, 2014, 5:58 pm

The cigar is either.

1. Ashton Virgin Sun Grown Spellbound
2. Arturo Fuente Don Carlos No. 2 (r something close)

Also what gun is that is it a .40 smith and wesson or a block 23? I can't tell just judging by the sights.

And never mind just see that I lost, dang I knew I shouldn't have taken a nap.
