Hey everyone, opening up an affiliate program,
all you have to do is wear the signature,
and if someone clicks it and then purchases you earn,
\$7.50 USD. (unless there's a sale on) Simple enough? :)

Sign up here: <http://www.sellfy.com>
Get your affiliate Link here: <https://sellfy.com/aff/6G07no/>
Add your affiliate link where the quotes are in the signature code.
Done!
