No mic, sorry.

Instructions are not that hard though, just pause every now and then.

Song: Cut Out The Lights (ft. Nathalie Hernandez) by Variance.

just put the face on the one you want to change, and try to play with the hue/saturation and color balance :), not a big deal just search in youtube for guides about it :)

Elweth - July 20, 2014, 3:57 am

Awesome tutorial, many videos only showed how to do a clone stamp, without actually showing how to merge the 2 faces.

Thanks ^_^

Peter DragonSlayer - July 20, 2014, 10:25 am

Very decent!

What is up with all that Lost - Breaking bad hype?

I am on season 3 episode 6 should I keep watching?

Zen??????????????? - August 16, 2014, 2:47 pm

I've seen this exact tutorial many times before.

Why do people keep remaking it instead of just posting the original?

Lawsuit - August 16, 2014, 9:07 pm

Wow, it seems so simple. Cool video.

Vehicular - August 16, 2014, 9:08 pm

Ah, wish you could've talked on the mic while doing it. It would've been so much more helpful.
