Terms of Service:

You will not chargeback or I will file a scam report.

You will not leak/resell this Ebook or I will file a scam report.

I can change the price and T.o.S of this Ebook at any given time.

I have the final decision on whether to give you a refund, if I feel you do not get one, you will not get one.

FREQUENTLY ASKED QUESTIONS:

Q. Does this Ebook involve blackhat activity?

A. No this does not, it is 100% whitehat.

Q. I'm SUPER lazy, how hard is this Ebook?

A. After you set it up, which takes about 30 minutes, it is all auto pilot from there.

Q. Is there an investment for this?

A. It can be as little as \$12.

Q. Does this involve gold farming?

A. No.

Q. Is this method CPA/PPD or selling things on Ebay?

A. No, it doesn't involve any of those methods.

Q. I didn't earn any money, what should I do?

A. You will become eligible for a full refund. If you finished the entire method and you purchased Tier 3.

VOUCHES/REVIEWS

Spoiler ([Click to View](#))

(May 12, 2014 10:34 AM)loot share Wrote: [\[CITE\]](#) Vouch, I would trust xinipot with my life! Great user & great method.?

(May 10, 2014 03:14 PM)Roytoy Wrote: [\[CITE\]](#) Have received a review copy of this Ebook and I must say It's pretty HQ. Sadly I don't know a lot about MMORPGs but I know enough to realize that you can profit from this ebook if you use your mind. It's pretty detailed and has a nice layout, everything is described step by step and isn't hard in any way.

GLWS OP.

(May 8, 2014 08:02 AM)Mortex Wrote: [\[CITE\]](#) Received a vouch copy for review.
I would like to add that I do not play MMORPGs so I am evaluating this eBook from an outsider's perspective.

Quality: 10/10

This is an illustrated and detailed guide. It contains a lot of information. An easy read.

Ease Of Use: 8/10

Every step is described in detail with illustrations and links provided. The author even provides tips on how to avoid unwanted results.

Grammar: 9.5/10

Some slight grammatical errors. Only noticed two omitted words. Most likely due to an over-sight. Overall very good.

Overall: 10/10

Even if you are not into MMORPGs, this method can generate you cash. As I mentioned already, I do not play MMORPGs but I fully understood every step and could implement this immediately if I desired to, with a single figure investment.

Worth buying.

(May 7, 2014 06:02 PM)Diclonius Wrote: [\[CITE\]](#) got a vouch copy

Quality: 10/10

author goes into alot of detail on how to do this method

Originality: 8/10

seen the method before but not this detailed

Ease of use: 7/10

easy, a noob can do it but you will need around 20\$ investment you can easily get around that through the hard way

Grammar: 10/10

no grammar errors

Overall: 9/10

worth the money

anyone looking to put some work into this for a great payoff should buy this e-book

PROOF:

KillaProDiGy - May 7, 2014, 4:24 pm

I would like to see this in action.

Good luck to ya.

Wheezy Gang - May 10, 2014, 3:28 pm

After receiving my vouch copy, I have a few things to say about the eBook.

The first thing I would like to say is that the method, does in fact make you money. You can easily make the amounts mentioned in the thread HOWEVER it does take a little bit of time. Don't expect to get the method, within 20 minutes have already made \$100.

Second thing I would like to comment on is the quality of the actual eBook itself. It is easy to read, includes some links and in depth tutorials on how to do what you have to do. My grammar skills are not the best, but I did not notice any major grammatical errors in the eBook that make it harder to understand what you are supposed to do.

Last thing I want to say is, I have in fact seen a method very similar to this before. It is not a complex method itself, but the good thing about this eBook is the SPECIFIC explanations and steps to do the method, that make it easy to follow and do.

Overall I give the method a solid 8/10. Easy to follow, requires a bit of setup and work, and a little bit of time.

8gold8 - May 10, 2014, 3:46 pm

I'll do a vouch copy for this, If I can get one.

hmu, I've done HQ reviews in the past.

Six-Nine - May 18, 2014, 7:12 am

Just a heads up to potential buyers:

In features he writes "Full refund if no earnings" but in the package/plans he writes that its only if you buy Package 3.
