Thread: [Stay Cl\(ASS\)y T-Shirt \(My First T-Shirt Design\)](#)

Ab\$olute Money - May 7, 2014, 7:28 pm

Hey guys, I made my first T-Shirt design tonight, and I posted it on TeeSpring.

For those who don't know, TeeSpring is a website where you can design shirts and if people like them they can fund your project to get them printed!

Well, I decided to try making a funny shirt and I came up with this:

<http://teespring.com/StayClassyFunny>

Let me know if you like it!

Also, if you would like to purchase it, you can do so. You will not be charged if I do not hit 150 sales in 3 weeks, you are simply kickstarting the printing process.

Thanks guys!

I'm not one for T-Shirt designs but I found that quite funny. I couldn't see my wearing it but i'd definitely buy it for my cousin.

In fact, i'll buy one if you take PayPal and you pay shipping. That's if it's not like \$50.00.

CleverCrypter - May 7, 2014, 7:29 pm

Mate, this shirt is the bees knees! Ordering one now...

Hey man, thanks for showing interest, the shirt costs about \$17-18 after shipping to the US.

The way the website works, is the people who purchase them fund the printing process, so if I fail to hit 150 orders in 3 weeks, you won't be charged. I just need to get the word out and hopefully enough people think it is funny!

I have not seen the Teespring market pretty active here on these forums. It was a large thing a couple months ago with Facebook advertising, but it is slowly getting saturated.

Good luck with sales, I dunno if you should have this thread if since you are, technically, selling something.

Yeah, if the mods think it does not belong here it is fine. I just thought since I am not receiving any money unless 150 people buy it, it wouldn't really count as selling.

Bump, let me know what you think of this design!

Capo™ - May 8, 2014, 8:17 pm

it's not that bad man, I'd sell it in stores like HotTopic, Spencer's, Off The Wall, etc.

Trippy_ - May 8, 2014, 8:40 pm

I'm not to big into tshirt designs but I like what you got. It's pretty cool and funny man, keep up the good work.

Ab\$olute Money - May 9, 2014, 5:01 am

Thanks for the nice responses guys. I am open to negative criticism too!

Sick man! I'm actually gonna redo the design and make it a chicks ass unless kids will be wearing these to school.

Let me know which one your prefer.

Estoqese - May 9, 2014, 5:09 pm

Its too bland, I don't want a plain white t-shirt with stark black text on it. Add colors, design, something to add to it.

Thanks for the suggestion, color makes it a lot more expensive, around \$25 probably.

Narrate - May 9, 2014, 7:06 pm

That's one shirt I wouldn't be seen wearing in public..

Marky Marky - May 9, 2014, 7:06 pm

That's a pretty fun shirt dude! Keep it up!

Volcomusa - May 9, 2014, 7:18 pm

Well the idea is funny but the actual tee design is awful, you should just pay someone else some pocket change to clean it up into a design that is wearable as well as funny...

TwoFeesh - May 9, 2014, 7:28 pm

That is really clever! I would buy one if I had money. :(I wish I thought of that.

General Zodddddd - May 9, 2014, 7:42 pm

Im such a retard I thought the ass picrure was a mug at first.

Duyere - May 9, 2014, 7:45 pm

In all honesty, I'd probably buy one of those t-shirts if I had money.

All my friends said the same, should I change it up to a girls ass?

~Jay~ - May 9, 2014, 9:03 pm

Oh I get it. It's funny because "ass".

?nxy - May 9, 2014, 9:16 pm

I don't like it, not something I'd wear.

ducksncow - May 9, 2014, 9:19 pm

Thats a pretty funny and cleaver shirt but I'm not sure if I'd wear it to school either

I myself would even be tempted to purchase if that were the case/

Then again Im an adult and I can wear a females ass on my clothing without repercussion.

Ab\$olute Money - May 10, 2014, 8:13 am

I was thinking of making the new design one of those "Keep Calm and..." T-Shirts.

Would you guys like that?

I was thinking black T-shirt and red text?

wezli - May 10, 2014, 8:17 am

Funny how people say they are going to buy this, yet stil 0 sold.

Haha, my exact thinking. Maybe if I make it less bland people would buy it.

The idea is nice, but people will wear it as a fun-shirt. Maybe make it shorter into 'Classy' or something to make it less serious. The vertical alignment makes it less appealing for me as well.

Good luck with this. And if you really think it's going to work maybe you should sell the shirt yourself instead of this way.

Dangit, I thought it was original. The idea came to me one night and I thought it would be good.
