Okay. I'm sorry but I feel I have to bring this up... Why do you call people "your fresh meats"? It sounds like you're going to rape us in my opinion...

nikownzu - May 10, 2014, 10:05 pm

Can I please also have a copy?

thanks

Ohhh my freah meat you are funny, dont worry i dnt rapr my Meats, imagine have you ever rape your food and than eat it, that process makes no sense. They only thing i can rape is English language as i am from amazon i dnt know how to speak this language properly.

[Tutorial] How to hack OP post so that you don't need to ask for the list in pm.

A. Brute force method
copy link from OP
AfBjRidv/moc.nibetsap//:ptth

click on spoiler, read hint: Reverse
and use some brute force cracked software to make it

B. More intelligent method
Search for post from safenmhmd on first page and delete spaces from his link
pastebin . com/vdiRjBfA

C. Method for ultra hackers
Get that link from this post.
