Thread: [\[UB3R/L33T!\] GIVING Away Free VIP TRibot! \[UB3R/L33T!\]](#)

Insaption - May 11, 2014, 12:57 am

Ok, I decided to contribute something to the community. I bought VIP for a TRiBot account to share with many of you.

However there are requirements. Please read them before sending me a PM.

To avoid people changing password to the account, the requirements will be high.

Rules!

If you get the account, you're NOT allowed to change password!!

You're NOT allowed to sell it or give it away

Please respect above rule so you can enjoy it as much as everyone else. If I notice the password/email is changed I will recover the account instantly.

UB3R

- You must have 100+ REP
- You must not have any scamming related negative reputations

L33T

- You must have 150+ REP
- You must not have any scamming related negative reputations

If you meet the requirements, please send me a PM.
