Here is a little review for my boy Fitz!

Content 10/10

He explains every thing you need to know about setting up an account shop! He gives you all the tools as well.

Ease of use: 9/10

A very easy eBook to follow, Fitz guides you through the method very efficiently.

Originality: 8/10

One method in the eBook is common knowledge, but the other was knew to me!

Grammar: 9/10

There were no major grammar mistakes that I noticed.

Overall: 9/10

This eBook is an amazing buy for the money! You will be making it back in no time at all!
Vouch from me, and GLWS bro!
