Got the biggest goosebumps from Tyrion's speech at the trial. Holy crap, the man can act! CAN'T WAIT TILL THE NEXT EPISODE!!!!!!!! ?

Originality - May 12, 2014, 4:09 pm

I was just discussing this with someone and she said the exact same thing. The speech was incredible, but that cliffhanger..

SHawking - May 12, 2014, 9:03 pm

If Peter Dinklage doesn't get an Emmy for that performance, I don't know if he ever will; that speech/scene was amazing! Heartbreaking too, as he just got fucked at the trial, even by Shae.

BiiffKriim - May 12, 2014, 9:03 pm

Same here, he flipped out like a baws... The next episode are going to be king i think =D

VRUMM - May 12, 2014, 9:05 pm

Stylish™ - May 12, 2014, 9:17 pm

First the red wedding, then the purple wedding, now this. Damn, that man can act.

D?V?? - May 12, 2014, 9:18 pm

I've never actually watched the show before. I'm kinda interested though, do you think its worth to get into it this late?

YES. You won't regret it. Nearly every episode is rewarding.

VRUMM - May 12, 2014, 10:08 pm

Damn, that was just too good. Can't wait for next episode.

pachia - May 12, 2014, 10:12 pm

Game of thrones always leaves me wanting more. I kind of hate having to wait a whole week, but I also don't want to wait until that season is over to watch all of it.

Exactly the same feeling here, bro. Peter Dinklage just aced it & I'm sure he's gonna get an Emmy award for this.

As for the next episode, I am sure it will be a thriller too.?

You think that's a cliffhanger? Check out the end of book 5... Something like that with years of waiting for book 6 to get finished by a very slow writer... fuuuuuck.

Ventire - May 13, 2014, 12:20 pm

That speech was amazing. Can't wait for next episode.

Totally worth it. I started watching it only few days ago and I already caught up. Really amazing show.

Dean Winchester? - May 13, 2014, 12:22 pm

I've been wondering one thing;

He demanded trial by combat, who will he be fighting?

His father? Jaime? Some kingsguard fgt? Or what?

Cyrus - May 13, 2014, 12:26 pm

Just watched it.

I see Tyrion slaughtering his opponent.

Tyrion would be a good king, he's caring. ?

I want/know Khaleese will sit on the throne, although her dragons are now uncontrollable and out of her control I think.

d34m0n - May 13, 2014, 12:27 pm

I think he'll be fighting Jaime, I hate that bitch Shae now

Mormont said in an earlier episode that dragons are not born to be tamed, not even by their mother.

Tyrion is the ONLY character that has been in every single episode since the beginning of the TV-show, killing him would break my heart.

Inuendo - May 13, 2014, 2:01 pm

Jamie will fight for him or against him??!! Aww sheet.

Yeah, it's good to see at least someone from his family is supporting him; he's been destroyed otherwise (his sister, father, lover/girlfriend, the general public etc, all hate him).

Not In every episode.. What are you on about? There are one or two episodes in this season where he is just sitting in a dungeon, not doing much.

Anyway.. Yes, Peter dinklage is the best actor. I honestly have a hard time seeing his "dwarf"-appearance. He is just THAT good!

Check on IMDB, characters are sorted by who has been in the most episodes
36/36 episodes so far for Peter Dinklage.

nicknack - May 14, 2014, 10:12 am

This episode was intense. It was the best in this season so far. The speech was nice but the Greyjoy acting is very good too. Like the whole plot of Theo and his transformation.

He has already won one but he deserves a second.

Yes. This is the type of show where it is never too late to start watching it.

bujny - May 16, 2014, 8:05 am

This show got quite popular, I think I need to start watching it because I feel strange when friends talk about it all the time and I do not know what they are talking about.

... But I hope It won't become my next addiction, lol

Doesn't matter if it becomes an addiction because we're only S04E06 now.

~36 hours doesn't take long to watch.

You know how long 36 hours takes to watch? I'd say around 36 hours.

mmmokay? I mean 36 hours is not long if you're taking into consideration series that has 25 episodes of 40 minutes, and 10 seasons of just that.
