Thread: [Get 2-for-1 Cineplex Movie Tickets from Virgin Mobile](#)

Syberpro - May 14, 2014, 1:53 pm

Hi everyone this offer has been up for a while and I decided to share it with you guys. Basically you will get one code for 2 ticket's at the price of one. Pretty awesome right?

Where to find the promo?

<http://www.virginmobile.ca/Cineplex>

Good to know:

- One promo code per Member every 2 weeks.
- 2-For-1 promo code is good for showtimes from Sunday to Thursday.
- You won't be charged for the SMS we send you with your code, because that would be rude.
- A surcharge will apply for IMAX, UltraAVX, 3D or VIP tickets.
- Offer available for a limited time only, while quantities last.

How to Redeem the code?

Spoiler [\(Click to View\)](#)

1. Look on your phone for the arrival of a free text message with a promo code
2. Hit up www.cineplex.com on your mobile or from a desktop and buy one movie ticket, while entering the promo code. Two tickets will be issued

For lost codes, head back to virginmobile.ca/Cineplex to retrieve it
Have a great time at the movie! Unless it's something sad, in which case have a sad time at the movie!

If you guys find a way to get more than one ticket please share along :)

Have nice time at the movies ? Remember to say thank you as it only takes 3 seconds and will help me post more deals!
