What happened taking it to allcrypt?

I still do. I didn't see much people who can buy from AllCrypt with PayPal. Keep on-topic.

B?wseR - May 24, 2014, 10:03 pm

But as you said your self people can just get and exchange into BTC and go to allcrypt do you still not believe in that?

Obli - May 24, 2014, 10:07 pm

(May 24, 2014 10:03 PM)B?wseR Wrote: [CITE](#) But as you said your self people can just get and exchange into BTC and go to allcrypt do you still not believe in that?

This is for people who don't want to exchange their PP to BTC. I haven't asked for your opinion either way. What I said does not matter. Some people are just reluctant to buy BTCs. The volume on AllCrypt is sometimes shit. I'm the most fiable source you will get who can sell you 10k OMCs for PayPal, with the cheapest rate. It's not if I broke your little business that you should start trashing my thread. Leave.

B?wseR - May 24, 2014, 10:08 pm

No you did not break anything you did it to me and i was just asking questions why get so mad.

Obli - May 24, 2014, 10:11 pm

This does not make me mad at all. I would simply like to keep this thread related to sales. Any questions can be PMed to me, and I would be delighted to talk to you, in PM.

I'll pay you in BTC 1:1 if you buy me 3p1c, or give me enough OMC to do so (with a little left over just in-case rates fluctuate). I'm not sure if asking someone to buy you 3p1c is disallowed, if it is, the latter is what I meant to ask :).

How much for 3500 OMC? I want enough for 3P1C and apparently it's \$10. So.
