Thanks for posting, it's great how you actually took the time to warn us stupid users about this PP scam.

Brb, sticking fork in toaster.

I just don't get how they are so bad at typing. Probably Indian guys.

I'm not german and even I know it's filled with mistakes.

Hahaha, At first i thought it was legit, Then I went to google translate, And translated it And It said some bull shit saying if you don't fill out the form your card is block. I found out it was fake because i never gave my Real Credit Card number to Paypal. Hahahah They're garbage at scamming, And if you would see the last of the Email, You would kill yourself that's how bad it is hahahah.
