(May 18, 2014 01:06 AM)detoxboss Wrote: [\[CITE\]](#) /vouch for my buddy BigBoss! Great book for beginners, quick early success. Helped design it so hope you all enjoy ;)

(May 18, 2014 01:27 AM)Fum Wrote: [\[CITE\]](#) After reading through my vouch copy, I'd say that this would be a good purchase if you're just starting to RAT. The methods mentioned are the best for starting out. Overall this ebook was really well written, and quick to the point. It comes with a few methods to get your RAT out there, but I don't see the methods mentioned having potential of getting loads of slaves, but you'll get enough for starting out.

I'll give this ebook a 8/10, if you're just starting to rat this is the ebook for you!

(May 18, 2014 01:32 AM)??uL?an? Wrote: [\[CITE\]](#) Quality 9/10

The quality of this ebook is top end. Very cleanly laid out, easy to follow. Nice graphics and is eye appealing.

Grammar 9/10

While not fully proofreading, I didn't find many grammar errors (while there where a couple), but very easy to follow and nothing major.

Content 10/10

Great content. It has everything you need to know to get started. Whether it's setting up your RAT or spreading. Has multiple spreading methods and goes into full detail. Doesn't leave any questions unanswered.

Overall:

Overall I vouch for this product. If you don't know where to start, whether it's building your RAT or spreading it, Bigboss knows what he's talking about. It answers all your questions and with a little time, effort, and this ebook you will be off on a good start. If you're new to ratting or just need more ways to spread, this is for you.

(May 18, 2014 01:42 AM)Encryptings Wrote: [\[CITE\]](#) Legit ebook, really helped me learn 2 spread Vouch from me

(May 18, 2014 04:46 PM)Chickenmelon Wrote: [\[CITE\]](#) Vouch, I helped with the editing HQ ebook for anyone ratting, especially for those new to it.

DetoxBoss - May 18, 2014, 1:06 am

? Vouch.

Vouch for my buddy BigBoss!

Great book for beginners, quick early success. Helped design it so hope you all enjoy ;)

Tip:
I should add that the E-Book is fully hot-linked.
Its not visible and some people might not even notice it.
But just so others know, the majority of the blue/yellow words are linked to the tutorial resources
and
there is a fully linked table of contents that will immediately focus you on that section.

Also included a pastebin of the list of torrent sites
(click anywhere above the list in the PDF).

Thank you two for the reviews. ?

Diogene - May 18, 2014, 1:42 am

Legit ebook, really helped me learn 2 spread Vouch from me

Chickenmelon - May 18, 2014, 4:46 pm

Vouch, I helped with the editing HQ ebook for anyone ratting, especially for those new to it.

Fiora - May 18, 2014, 8:52 pm

Thank you to the people who helped with the ebook and graphics.

Accoy - May 19, 2014, 1:44 am

Legit ebook guys! I got vouch copy for it and it is a quality book. I highly recommend this!

SyndiKator - May 19, 2014, 4:48 pm

Legit. Gives some really solid fundamentals and it's well written and easy to understand. His support is also good and he really understands how it works. So taking the \$10 is definitely worth the few extra bucks. I completely vouch for BigBoss.

Iduex "The Judge" - May 29, 2014, 10:48 pm

Did a great job with everything. and really knew his stuff! Will come to him for help again if needed!

Robust - May 29, 2014, 10:56 pm

Hm, how many pages does it contain?

Fiora - June 5, 2014, 1:25 am

(May 29, 2014 10:56 PM)Robust Wrote: [\[CITE\]](#) Hm, how many pages does it contain?
It contains 9 pages, it's generally targeted to new users but users with some knowledge can benefit from this ebook

Ha, I wish it would get that much but at least you got your 100 slaves
Also ebook support is free with purchase of rat mentoring

Nikem.D ? - June 10, 2014, 1:00 pm

Hello Big boss .
Can i get vouch copy ?
I will wrote full review immediately after reading it .

Regards
Nikem.D
