Thread: [Last post wins contests allowed?](#)

'Snorlax - May 18, 2014, 5:16 am

Take a look at that thread. OP went to bed and the last person to write on his thread wins the contest.

Is that allowed? I haven't been able to find any proof that is not, but it should not be allowed.

EDIT:

Low quality posts:

It's just a troll and i think it would have to be 2000th post to be valid.

I am giving away 100 OMC to who ever has the last post on this thread when I wake up in the morning

I agree. Look at the damn posts. "OMG SPAM LET ME WIN", "Still waiting for OP to get online", "You will never win! I will win".

Scars On Broadway - May 18, 2014, 5:24 am

As i stated in the thread I think all it is doing is generating LQ posts.

But what if he wakes up and someone posts before he sees it?

Really..? Really? Stop posting your shit here, please. Go post somewhere else.

Scars On Broadway - May 18, 2014, 5:40 am

I guess you could report it as LQ because that's what it is just an endless thread of LQ posts.

Marky Marky - May 18, 2014, 5:40 am

I think I posted twice in that thread but I agree it is just LQ spamming bullshit.

I already reported most of the low quality and spam posts. That's pretty much all I can do till a staff gets back from sleeping or whatever.

EvilMinD - May 18, 2014, 5:41 am

Woah that's a LQ thread, let's wait for an answer from staffs.

What if he wakes up in the afternoon?

What if his morning is his afternoon? Please... guys.

ZuGgY - May 18, 2014, 5:44 am

I dunno but IMO it is stupid and should be banned. It promoted low quality posting

diiiaz - May 18, 2014, 5:45 am

it's retarded and it should not be on HF.

'Snorlax - May 18, 2014, 5:47 am

(May 18, 2014 05:46 AM)- Sam - Wrote: [\[CITE\]](#) Just be patient, the thread will either be junked or a large majority of of the posts will be removed.

As for the answer to this thread, this is allowed because it is a content. However, there needs to be a better understanding of the end date for the winner. He will be told and he will learn from his mistakes.

They are making the thread into a lounge. It would be better to disallow these threads completely so we can stop these low quality posters from posting there.

Closing thread because I don't feel like we need more discussion.

Nas - May 18, 2014, 5:47 am

Well, wouldn't that mean to prohibit those who make contests saying "Pick a number from 1-200", they're both LQ.

It's a contest though, and if i was OP i would of said one post per person.

'Snorlax - May 18, 2014, 7:40 am

The thread has been closed but it was not by the OP. So I guess a staff interfered! So far so good.

Sajuuk - May 18, 2014, 8:14 am

Well, as I've seen recently, this site is getting worse by the hour. Omni will decide what goes and what doesn't, which will probably have some sort of reason behind it. We'll see.

VPN - May 18, 2014, 9:56 am

This should not be allowed imho, aswell.

Cubs - May 18, 2014, 9:56 am

That should not be allowed and that thread should be junked right away.

Trust - May 18, 2014, 10:10 am

I think it looks very fun actually and it's a good idea in theory, but only one quality post should be allowed.

Spamming every other post with nonsense is stupid and should not be allowed.

Roger Waters - May 18, 2014, 10:10 am

It is a low quality thread, and should be reported. It is a low quality thread because people will spam the thread to be the "last post" though there will never be one.

The person who has the most posts on that topic has 32 posts on that with second place being 21 posts on it.

Joey Tribbiani - May 18, 2014, 10:31 am

Staff closed that thread and hence I am closing this one. ?
