Man Anime Conventions sure seem awesome.

It's a little sketchy that you mentioned there were girls of all ages cosplaying there.. Does that mean there's a bunch of 6 years old going around in Sailor Uniforms?

Did you happen to see the Podtaku panel yesterday? If so, how'd it go?

LOL, I was only trying to get some reaction but no, no where close. I've been to a few conventions, its almost always filled with bigger people who are extremely nerdy, but they aren't assholes or anything just the way they are.

Lucky.

I couldn't go this year because I didn't have a ride.

Did you go to the rave at night? One of the best things I remember from last year.

Vamporno - May 19, 2014, 9:57 pm

OP did you take some pictures with the girls? Was there a girl in LaLa Dress?(To Love Ru). Might go next time but I don't really know where to find out about it and stuff.

Wait what? I didn't know Chicago had one of these.

OP - Which part of Chicago (or the suburbs) are you from?
