Thread: [\[FBN\] SOTW #4 \(New Dates + 10\\$ omc Prize\)](#)

Flashy - May 19, 2014, 5:16 am

Because of the mixup with having to get oblivious to post the last sotw, I will be personally giving 10\$ OMC to the winner of this sotw!

He won because he was the only one that understood what flow was that entered the competition.

He won because he had the best tag. You clearly don't understand the concept of a voting thread, retard.

I won because I got the biggest number of votes, just look at the voting thread. Don't imply that I cheated, the other tags weren't the best either, my tag wasn't that good, I had to rush something

because in my opinion the sotw would have looked like a joke with some of the entries

Lets keep it on topic guys, Oblivious obviously did not cheat.
