Hello HF,

There is a guy on skype pretending to be [Xch4ng3](#) On HF. He added me on skype, And asked me if I was selling a Instagram Account. Can anyone tell me if it's the real one or not?

Here is a picture:

Not sure if that's really him.

There are so many fake XCh4ng3 people on skype. Ask him to PM you on HF to prove before dealing.

66 contacts? I doubt that. Thanks for the heads up.

Why does he actually have his phone number up here? That's pretty dumb. Unless its actually change's number, that's weird as hell.

That's most likely not his real phone number, He most diffidently put it there to make it look real.

**Quest™** - May 19, 2014, 8:03 pm

Of course it isn't him, the real one is a lot sexier.

**Ifinger** - May 19, 2014, 8:05 pm

It is so obvious whenever someone is trying to impersonate staff.

Why say he's pretending to be him then ask if it's the real one or not?

Well if you do a little research on the skype you will know it is an imposter, and has been reported a lot of times already, not to mention Xch4ng3 himself already said he doesn't deal via Skype.

Also do not deal with his real Skype which is Xch4ng3 as it got hacked.
