Thread: [Ultimate SQL Tutorial / eBook, all you need to know!](#)

Mx. - May 21, 2014, 8:30 am

Hi there,

Some people still have problems with SQL Injection, or wanna learn a few ways how to do it.

I've got no time anymore to do what i wanted online therefor im realising it for whoever likes it.

Does anyone have a website I can test this out on as I read through. I would greatly appreciate it.

Mx. - May 27, 2014, 11:38 am

Sorry i don't have any sites you can test on, surely there are some sql injection testing sites programmed by people here just google a bit.

Great tutor. I believe this will help me a lot to gain more experiences :)

Thank You for sharing

Blackllama - May 29, 2014, 7:34 am

Good stuff in here. It takes a lot of the techniques I've been seeing all over the place and consolidates them, thanks!

dr.inj3cti0n - May 29, 2014, 7:53 am

I've been downloaded bro ... Thanks for the share ... :)

kareltje - June 6, 2014, 11:37 pm

thank you for this ,i think it is very usefull

NyInjection - June 8, 2014, 12:14 am

doesnt seem very beginner friendly, might need some revisions. Overall looks pretty good though, I'll be sure to read a bit of it.

Abdilo - June 8, 2014, 5:29 pm

This is actually rather interesting and should help people with there CEH and other certificates.

Thanks allot man it was a nice read btw I voted for you here:

From the 6 pages that I have read so far the ebooks looks solid.

I have read a few SQL tutorials/ebook, but they have been terrible because the writer doesn't know English well.

I will definitely give this book a try, and finally learn SQL injection thanks OP.

My only concern is not really beginner friendly, and if you have the time you could try revising it.

Mx. - June 9, 2014, 7:36 am

Its pretty much as beginner as its gets can't really do more then whats been explained already.

hacbach - June 10, 2014, 6:45 am

Thank you sir!

Will be reading it

Mx. - August 15, 2017, 5:37 pm

this version is still live, and its been a while since people had the time to read it so enjoy :).

teampoison11 - October 29, 2017, 6:28 am

Thank you sir for this best tutorial

TheSteel - October 29, 2017, 1:54 pm

I need the ebook too please i want to be a pro. Thanks
