Thread: [Free Bay Drive - Free Universal Remote - Cheap PC Games](#)

TigerDirect is known for having things that are free after rebate!

Here are some of my latest finds:

ULTRA 2.5" To 3.5" Drive Bay Converter - Supports SATA, SAS HDD/SSD:

[Item](#) - \$14.99

[Rebate](#) - \$15.00

RCA RCRN03BR Universal Remote Control:

[Item](#) - \$9.99

[Rebate](#) - \$10.00

[NewEgg](#) is currently having a sale on computer games.

Some of my favorites were Borderlands 2 for \$7, or the bundle for \$11

The promo code EMCPEHW232 should work on each of those games for an extra 15% off! Making Borderlands 2 only \$5.94
