About

UNITE unofficial group on hackforums, originally started back in 2009 and now we are looking to expand our team by recruiting valuable members. This group is designed for members interested in computer forensics/anti-forensics, coding, exploitation and security. The group will remaining small and private due to the value of the projects ran by the group and the organization.

Being a member of UNITE has great advantages here are some of them:

- Access to \$1300+ worth of software and ebooks (All Legitly Bought With Correct License)
 - Free Crypting Service
 - Free Templates
 - Access to (Premium) VPN + RDP For Free
- Many More +++
