If you are going to buy it and think the prices are to high,you can tell me drop the price down.
Paypal Only Please.

The games are legit.They are bought off the steam store.
Once you get the account you have full complete own over it.You may change the password,email
and do what you like.

No...People bought the games of steam..None of the games are
cracked,downloaded,copied,stolen,etc.

Prices updated.....

Now...
