Thread: [2 users Infecting users with JDB | UID = 2263853 AND UID = 1734629 || Also Doxing me](#)

Dream™ - May 24, 2014, 9:55 am

Okay hello HackForums,

This member; <https://hackforums.net/member.php?action=profile&uid=2263853>

Opened a thread in the groups section;

<https://hackforums.net/showthread.php?tid=4244419>

So I applied as you can see #1 Post, So I got a few PM's to confirm who I am i confirmed my age Mobile number etc.

He said I was accepted into the group and he said he needed me too fill this form in with google forms [They log answers and give to owner]

<https://docs.google.com/forms/d/1LPBkScB0ubQwpjYgQYHMPXwwprfwrt35lb3WNxtB258/viewform>

And also sent me a sight and told me to allow the web page etc

Okay so the second user;

<https://hackforums.net/member.php?action=profile&uid=1734629>

He PM'd me asking me to add the guy on skype meaning they are working together.

More bullshit

Thank you for the warning, infecting hf users is dirty af

Dream™ - May 30, 2014, 7:38 am

Yeah, I despise people who think were stupid enough to allow a JDB on my computer!

Brule - May 30, 2014, 10:53 am

Thank you for the warning, I think further action should be taken, as infecting HF members is stricly against the rules.
