cacnecac - May 24, 2014, 6:23 pm

Can't wait for the next Monogatari :) Nisekoi was fun.

Ryner - May 24, 2014, 6:48 pm

Isn't this kinda NSFW? Well either way shaft is very good at that, yes.

Gladly - May 24, 2014, 6:49 pm

So, what exactly was the point of making this thread?

Not as useless and stupid and pointless of some of the other threads that find their way into this section lmao. Just leave it be. ?

Ryner - May 24, 2014, 6:53 pm

Oh yeah, if we're talking about "shaft" then please do not forget about the Toothbrush scene! ;)

cacnecac - May 24, 2014, 7:38 pm

Plz no hate just expressing my love for SHAFT and anime :D

Programmargorp - May 24, 2014, 8:05 pm

Oh cmon, SHAFT carries every anime it does.

It carried Nisekoi. Would have easily given a 3 with that story if it was by any other studio.

Thats what im saying! ? PLZ RELEASE THE NISEKOI OVA AND 2nd SEASON ALREADY!

Black Hole - May 24, 2014, 10:39 pm

Fantastic idea, a SHAFT thread.

TOO BAD ALL YOU INCLUDED WAS ONE FUCKING IMAGE. How about actually writing something pertaining to the studio? If all you wanted to do was post an image, put it in the AA Lounge, that is the reason it is there.

Vamporno - May 24, 2014, 10:41 pm

So the anime is called SHAFT? Looks like I will need to get a tissue when I'm watching it ;). Also, you could of post this in the AA Lounge instead of making a LQ thread.

Sigh the hate continues for no reason it was just my praise to shaft and since nisekoi ended today and waiting on hana.

Sigh, the idiocy continues. If you want to post a SINGLE IMAGE, do it in the AA Lounge, this isn't 4chan.

If you are actually going to talk about a show, or studio or whatever, then you can take up an entire thread.

The hate was definitely for a reason.

SHAFT is a studio, not an anime.

DON'T FORGET ABOUT THE HEAD TURNING.

Dragon. - May 24, 2014, 11:02 pm

@Aurora There's the famous "Shaft headturn" in every episode, right?

Obli - May 24, 2014, 11:09 pm

The thread wasn't about expressing my opinion really, its just suppose to be something that shaft does good with their production. Black Hole is either having a bad day (period maybe) or hes always like this. I don't know I didn't mean to offend anyone at all, as for other replies seems like there are alot of images and fans of shaft here also.

Elfen Lied - May 25, 2014, 12:08 pm

Isn't that the Anime with the Teacher that attempts to kill himself all the time? I found this anime hilarious, I would definitely recommend watching this anime if you're into comedy.

Yes, Madoka, Mekakucity Actors, and Hidamari Sketch are all by some different unknown studio. :3
