Thread: [Types of GFX designs](#)

Deciever - May 28, 2014, 8:30 am

Can anyone list 5 different types of GFX designs?
Maybe with some examples?
Much appreciated.

No I haven't! What is this incredible website you speak of?
Thank you so much for bestowing this gift upon the human race!
You fucking twat.

He was just helping. Calm the hell down.
We aren't going to do your homework for you.
