Damn I've always wanted one of these, my best friend had an Apple one and it was so cool. It's great that you people ship it world-wide, most people only sell them in the US. Really hope I get my hands on one of these ;p Good luck to all and thanks OP.

P.S One question, does the winner win 2x or there will be 2 winners :?

Un-Named - May 29, 2014, 2:40 pm

BLKLXVESMATTER! - May 30, 2014, 1:40 pm

I'm entering this as winning would be great, probably going to be buying from as stated before once payday comes in so winning this would be great to know which flavour I like best.

I want to try out the Cherry flavor though.

Good luck everyone, and thanks for the contest! ?

Wirt - May 30, 2014, 9:26 pm

My favorite flavor would probably have to be Watermelon and that's the flavor I'd want if I won :p.

My favorite flavors are lemon and mint.
My friend had a mint flavor and I absolutely loved it!

If I won I would definitely love the mint flavor.

Wirt - June 5, 2014, 1:20 pm

Hey guys. I am going on an unexpected vacation from tomorrow to Friday, July 13th. I am sorry, as I didn't see this coming. I will be picking the winner here shortly, and I will fulfill the prize when I get back. Again, I am sorry about this. If I can I will do my best to get on when I get there for a bit, and fulfill the prize for the winner. Other than that, I will be unable to do it until I get back.

Once again, I am sorry about this, this was a "surprise" vacation, per say. Thank you for your understanding.

EDIT:

Congratulations to.... Seagate! You have won two free disposable shishas!
