SE'ing is when you lie to convince a company to send you something for free(usually saying you bought something and its broken, etc).

Its highly illegal and not allowed on this website

If your method isnt SE'ing, pm me.

FantaŠec - May 29, 2014, 2:03 pm

Search engeneering isn't alowed on this forum. You'd better run & edit your post or just expect a warning

Jesus man, between the kids backseat modding, everyone trying to rip each other off, and the kids pedaling their BS sites and eBooks, this place is a shitfest.

I'm pretty sure it's social engineering....

If not care to explain what search engineering is?
