This stupid user scammed me \$10 which i sent via Gift for x200 7 day xbox live code. We was speaking on Skype. I sent the money first and he sent me some fake and MANY duplicated codes. I gave him 20 mins to reply back however he didn't and has since deleted me on Skype.

The user identifying himself - <https://i.imgur.com/9FpXA7y.gif>

Sent him \$10 (30th may) - <https://i.imgur.com/5H9A10w.jpg>

Him sending the 100 codes - <https://i.imgur.com/a5j6xaE.jpg>

I checked to see if there were any duplicates,i inputted 100 codes and only 15 werent duplicates - <https://i.imgur.com/9YlxPDf.jpg>

Now he's ignoring me and deleted me - <https://i.imgur.com/MaMLuzy.jpg>

What a proper noob. He's scamming me for \$10 and his l33t cost him \$15+... what is his mentality?.. Idiot. I'm opening a dispute

Really bad experience, i've been on this forum for 3 days - i upgraded within hours of joining because i really really liked this atmosphere. This has soured the experience hugely

make sure you check the members history before you deal with them. If you believe there's anything fishy then use a middleman.

Legit scam report but you should include a screenshot of how he removed you and a screenshot proving the email.
