This stupid user scammed me \$10 which i sent via Gift for x200 7 day xbox live code. We was speaking on Skype. I sent the money first and he sent me some fake and MANY duplicated codes. I gave him 20 mins to reply back however he didn't and has since deleted me on Skype.

Sent him \$10 (30th may/TODAY) - <https://i.imgur.com/BYR2fJL.jpg>

The noob deleted our skype messages but you can verify i sent the money because his Paypal name is the same as his Skype contact

Him sending the 100 code - <https://i.imgur.com/HEnlOdD.jpg>

I checked to see if there were any duplicates,i inputted 100 codes and only 15 werent duplicates - <https://i.imgur.com/grAa7jp.jpg>

Now he's ignoring me on hf also and deleted me off skype- <https://i.imgur.com/lDqywLz.jpg>

What a proper noob. He's scamming me for \$10 and his l33t cost him \$15+... what is his mentality?.. Idiot. I'm opening a dispute

Really bad experience, i've been on this forum for 3 days - i upgraded within hours of joining because i really really liked this atmosphere. This has soured the experience hugely. I can't -rep him cos i've given out too many +rep for today..
