Thread: [#2 | 1,500,000 | 1.5 Million Twitch Channel Views \[For everyone\]](#)

Regulus - May 30, 2014, 5:47 am

Hello there guys. So this is the second Twitch Channel Views contest i'm holding, and this time one lucky winner will get 1.500.000 (1.5 Million) Channel views hehe.

How to enter: simply post below on this thread and your "Post" number will be your number for the contest. I will choose winner via random.org when this gets 21 posts.

So basically if you're posting and your number is #2 that's your number in the contest. And as my post counts as one i will end this when it hits 21 posts :)

WINNER THIS TIME!
