I've got 2.3k OMC on there I can't move.

PM xflat or Knar..

I guess.

Its annoying. I have a few people who I need to send to, but having issues.

Me too.

I had to break off an OMC deal earlier due to this.

I literally have 7 people right now who I am supposed to send coins to. I PMed xFlat, he ignored or missed it.

We are having major problems right now.

Files seem to be deleting them self's and a fix is being attempted.

No OMC will be lost though.

OK cool, thanks ?

I only have a few hundred in there anyways, I just need to send some.

Do you know when it will be up again?
