Thread: [Art for Pillows.](#)

Exigo - May 31, 2014, 2:19 pm

I really liked this and so does Pillows but I want the rest of HF's opinion.

yay, pm me pls <3

Exigo - May 31, 2014, 2:24 pm

Mind posting on my thread man. The one in my signature.

Keeps my free graphics thread alive:)

Apple Support - May 31, 2014, 2:25 pm

DungeonKeeper made my signature and avatar also.

Exigo - May 31, 2014, 2:32 pm

(May 31, 2014 02:25 PM)Apple Support Wrote: [\[CITE\]](#) DungeonKeeper made my signature and avatar also. Glad you like it bro.

Anything to give back to the community:)

Your art is sexy, I love the flat look.

Ta-kun - May 31, 2014, 2:36 pm

I love the look of your work! It's surprising that your doing this for free even though your work is some of the best!

Ienaos - May 31, 2014, 2:47 pm

Did you make the dinosaur and computer?

Generic Username - May 31, 2014, 2:49 pm

Wow, that looks amazing!

I'm jelly now :l

Could you make me a signature saying "Programming's Professional Development Services" please :)

A thread design would be awesome too <3
