Nope just selling them... I'm also adding new products as we speak, such as hookah pens(Don't worry I won't be stealing litcoins business, I'm actually advertising him since he has tons of flavors...)

I probably will order some for myself or the first buyer, and I, or they, can take a picture of it. I also have real pictures of these hats which I will PM to a buyer before they purchase...

Wow, you're really doing it! :D
Might buy later.

Cookiezzxx - June 1, 2014, 12:24 pm

Do you ship the hats and shisha pens in one package? Also, do you accept PayPal?

CECIJ® - June 1, 2014, 1:06 pm

Paypal is what I accept, and Im not sure if they would come at the same time... I will look into that

and get back to you.

Trap Music - June 1, 2014, 1:11 pm

VapePens are a little pricey. Looking for one but not for that much haha.

Cookiezzxx - June 1, 2014, 2:07 pm

We'll when I order something, my parents are always curious of what I get and I don't think they'd be too happy if I had a shisha pen, so if I bought one of the hats I could have something to show. So you don't personally ship out the items?

CECIJ® - June 1, 2014, 2:10 pm

No I do not, too costly and too much of a hassle.

Cookiezzxx - June 1, 2014, 2:47 pm

I'd be interested if you could get the snapback and shisha pen in the same package.

Sorry man, no can do... You could always just get the hat. But it is your choice. There is a guy on here called Litecoin(with a fancy L); he too sells hookah pens. Contact him and maybe you two could settle something like that...

I don't sell Snapbacks. I only sell high quality Shisha pens, but to his regard I can put it in a package that doesn't look suspicious and write like "(Console name here) game for (his name here)" which works wonders.

What I'm wanting is another item to go with the hookah pen so I have something else to show.

That is correct!

Attention to all:

Me and Luxe have reached a very nice mutual agreement, in which he no longer sells Shisha pens, in exchange for advertising.

Thanks Luxe, I can vouch for you totally and you're a nice guy.
