Thread: [Free OmniCoin To Normal Members](#)

BoX. - June 2, 2014, 5:11 am

So I see a lot of giveaways for L33T/UB3R members and hardly any that could benefit normal members here. I remember when I was a normal member and couldn't come across many giveaways like this, so I will be giving away 1 OMC to every normal member who posts here. I may do one for L33T/UB3R members later on today, depending on how this one goes :)

This wont be up for too long, so grab some while you can!

All I ask is that you have positive rep, and 100+ posts.

Happy Good Will Monday guys! ?

EDIT

I have decided to leave this open :) I will close it when I want to. I've also decided to add a new rule: If you want OMC, please say something a little more than just leaving your OMC address and saying thanks in advance.

Hey, I don't know if this applies to normal 3P1C users, but my address is in my signature.

Thanks a lot OP for doing this. :)

(If I didn't apply as a "normal member", then it's okay. :) It's good to see someone doing something for the community.)

Everyone else, thanks for commenting but you guys clearly didn't read the OP. I'll be closing this thread because I don't have that much OMC left. Chances are I'll be making a new giveaway for

L33T's and Ub3R's with whatever I have left.
