Thread: [Win an XRumer Lite Package for a Year - Over \\$350 - Become an SEO GOD](#)

Josh Miller Enterprises - June 3, 2014, 12:49 pm

As part of a promotion for my site, I am giving away an XRumer Lite Package for a year to two lucky winners.

[Video: <https://www.youtube.com/watch?v=BDCs1gbuEmc>]

WTF is XRumer !?

<http://www.botmasterlabs.net/xrumer/>

How Do I Enter?

Entry is simple, you must fill out the contact form at the bottom of the post that you can access via the link below.

<http://makemoneyonline.joshmillerenterprises.com/2014/06/xrumer-elite-giveaway-win-xrumer-lite-package-year.html>

How are the results drawn?

I will pick 2 people at random to win this, please note that not only HackForums users are involved in this but other traffic.

How do I win?

Simply fill out the contact form and provide us with a reason why you should win, feel free to make this as creative as possible; all reasons will be overlooked and the best will be chosen.
