? Absolute E-whoring Success ?
Version 1.1.1

Sales Paused until further notice because I might not be as active on the forum for a few days

What's New?

+ 28/July/2014 eBook has FURTHER been updated to version 1.1.1 (Previous customers, please PM me here or on Skype to get the new version).

19/July/2014

Spoiler ([Click to View](#))

+ 19/July/2014 eBook has been updated to version 1.1 (Previous customers, please PM me here or on Skype to get the new version).

+ 19/July/2014 Added video of my recent earnings with this method.

+ 19/July/2014 Added another package.

Hello fellow HF members and e-whores. Welcome to my sales thread! Some of you might know me, some of you not. Nevertheless, My name is Mr. Sultan (obviously lol), and I have around 5 years of experience in e-whoring. I started e-whoring back in 2009 when I didn't even know it was called "e-whoring" ROFL. I would download fake chat videos of hot chicks from YouTube and use them to prank my friends. Soon I realized that I can use this "art" to make money online with it. Ever since, I've been working constantly on the net trying to learn the tricks of the trade and researching various niches involved in the great art of e-whoring.

And after all the hard work, it has been nothing but gains after gains! E-whoring has become something really basic for me. The methods and tools I use require minimal e-whoring skills and is 100% risk free!

So being the nice guy that I am, I have decided to help you guys out by selling my package in which I will teach you the exact same methods I use. This is probably the best investment that you guys will be making ever!?

.....

So what do my packages include?

Package #2 (20\$) - ? OUT OF SALES! I don't have more time to support new customers. Tough luck guys. Those who have previously purchased this package, will still benefit from this. ?

(Aug 2, 2014 11:49 AM)Kings. Wrote: [\[CITE\]](#) Obtained the eBook, great seller. Thanks so much!

VOUCH!

(Aug 4, 2014 11:48 AM)emento Wrote: [\[CITE\]](#) Just recieved a vouch copy of this. As a very expierenced eWhorer, I will give an honest opinion on the EBook.

I can honestly say that I've never seen this method before, albeit I haven' tried the method out, I could only assume this method will make you a lot of money. It is well written, well explained and I'm sure his Skype support is nothing less than HQ. He provides you with what to say, and how to earn the money. Little to no grammar mistakes, and it is written in simple English. Nothing but high quality.

I had of bought this EBook, I would be extremely happy with my purchase. Great EBook man!

(Aug 4, 2014 04:29 PM)DwvR Wrote: [\[CITE\]](#) Vouch for Salty Sultan.

(Aug 7, 2014 01:02 AM)Backpack?? Wrote: [\[CITE\]](#) Wow. Simply fucking amazing. I wanted to go to bed an hour ago, but I stayed up to read this E-Book purely because the tactic is far superior to that of which I have seen so far.

I'm going to take a break tomorrow, as I have been E-Whoring for the past week. After I refresh myself and get motivated tomorrow, I am going to try your method on Friday. After I try the method I will report back here hopefully with earnings.

Grammar: 10/10

I read through the book flawlessly. Your English is perfect, Sultan.

Layout: 9/10

Very easy to follow. I had no problems understanding anything in this E-Book, it looks great. The only thing I would recommend is making it look more professional by adding css-like elements to the design. It looks great but upgrading the book design with new fonts, new pictures etc is always a good idea.

Method: 10/10

This method has surpassed any other method I've ever seen online. Very original idea, very

intuitive. I haven't tested it out yet, but I will update this post on Friday when I do try this tactic.

Damn this seems nice, ill might buy this in the future

Shopify - June 6, 2014, 6:05 am

Might buy if I see some costumer proofs!

sphdarkstar - June 6, 2014, 10:10 am

if i could have more info on the free vcws i might be tempted to purchase ... are they the publicly available ones ? that everyone has ? like rachael and stripes etc

Mr. Sultan - June 6, 2014, 11:32 am

(Jun 6, 2014 10:10 AM)sphdarkstar Wrote: [\[CITE\]](#) if i could have more info on the free vcws i might be tempted to purchase ... are they the publicly available ones ? that everyone has ? like rachael and stripes etc

The free VCWSs that are on offer are public yes, however the methods in the ebook will definitely make you some awesome money even if they are public. After you buy this mehthod, in fact, you wouldn't even need to purchase a private VCW .

N1GG3RS - June 6, 2014, 12:25 pm

Fucking awesome eBook, Bought this earlier today and I am sure this will get me a lot of money. I also have never seen this method before

Mr. Sultan - June 6, 2014, 1:00 pm

N1GG3RS - June 6, 2014, 1:24 pm

(Jun 6, 2014 01:17 PM)Darkwin Wrote: [\[CITE\]](#) Oh and for the record since you're claiming you haven't copied our designs i want to see an PSD of your work, Otherwise i'm opening an alert because this is blatant infringing of our brand. So yeah call me 'pathetic' or whatever the fuck you want, But i don't go around [ripping peoples work](#).

We paid top dollar for our designs and don't appreciate some dickhead attempting to rip us off. Krash Bash did link me to you to buy VCW's :)

BeckyG ? - June 6, 2014, 2:27 pm

Don't be intimidated by Darkwin, his patents on signatures isn't as strong as he believes. ?

Dick Sucking - June 6, 2014, 2:37 pm

OP Your earnings are fake, I can see because who accepts pennies and shit.

Mr. Sultan - June 6, 2014, 2:48 pm

Nop, you seem to be pretty fake. You have no idea about the method I'm using, so please don't jump conclusions

Mr. Sultan - June 6, 2014, 3:53 pm

Hey everyone I'm glad to announce that everything is okay between me and Darkwin now! It was just a misunderstanding?

Dick Sucking - June 6, 2014, 3:54 pm

(Jun 6, 2014 03:53 PM)Krash Bash™ Wrote: [\[CITE\]](#) Hey everyone I'm glad to announce that everything is okay between me and Darkwin now! It was just a misunderstanding?

It wasn't really. You didn't rip his design but you still ended up removing the Sig.

Mr. Sultan - June 6, 2014, 3:55 pm

(Jun 6, 2014 03:54 PM)Dick Sucking Wrote: [\[CITE\]](#) It wasn't really. You didn't rip his design but you still ended up removing the Sig.

Yes because we had a discussion over PM and he asked me politely to remove the sig?

Online and selling the package!?

Fresh start - June 7, 2014, 8:22 am

I bought this package 3 days back and this is what I made from it today, Awesome product, Don't hesitate to buy this! :)

Panoply - June 7, 2014, 8:56 am

Vouch for Krash, Nice ebook set up! Explains step by step in detail on how to get a good flow of cash!

Butchoi15 - June 7, 2014, 9:53 am

I'll guess this is a public method with your unique twist right? Or is this something new in any way??

Mr. Sultan - June 7, 2014, 10:04 am

Thanks for the vouchers guys. Glad to finally see some earnings.

@Butchoi15 Hey buddy! Please always keep in mind that no e-whoring e-books are 100% unsaturated. It's where you creativity comes in. You have to find your own ways to make it "100% unsaturated". As for my method, like all other e-books, some people know just a tiny "part" of it, rest is still unknown to most. And you'll be amazed to see the major twists these methods have. I haven't come across anyone on HF who uses these methods, that is of course until I started selling it! Good luck!

? [\$(1000)\$] ? - June 7, 2014, 12:48 pm

(Jun 11, 2014 06:24 AM)mailme4betterthings Wrote: [\[CITE\]](#) VERY nICE I ADD U ON SKYPE WAITINF UR REPONCES

Hey mate I didn't get an request from you. what is your Skype?

Mr. Sultan - June 11, 2014, 12:09 pm

(Jun 11, 2014 09:06 AM)FaustianEchoes420 Wrote: [\[CITE\]](#) If you're using this method with success, shoot me a PM.

EDIT: I can't in good faith give this my full vouch. While the method can potentially work, I don't see the method as being superior to the free methods available. In my opinion, you are better of reading the free help threads and purchasing a premium, unsaturated VCW. This method is proving frustratingly complicated for me so far, and I haven't been able to get in touch with anyone who has had success with the method aside from the OP, who while helpful is also frustratingly vague. Meanwhile, I purchased a premium VCW and made my money back on it plus this ebook and then some just using free information. Like trolling dating sites and chat rooms.

It's your money though guys, just my opinion.

Stop trashing my sales! Ask the others who have made money out of this. You are not trying and following everything. And I am being as friendly and supportive as possible

stunk - June 11, 2014, 12:32 pm

Haven't bought it, but I vouche! This user is trustworthy!

Not trashing your sales, but I'm willing to bet you've made more selling this ebook than from your method.

I'm giving my opinion. Also, DaPiranha's vouch is very shady. I tried to PM him and talk with him about the methods and he didn't know what I was talking about. Paypal earnings are very easy to falsify, especially in Google Chrome.

Mr. Sultan - June 11, 2014, 1:58 pm

Hey hey I've made way more money in e-whoring that selling this ebook. I have no idea what about what's going on between you and DaPiranah. I can bet you that hardly anyone here knew this method as its very safe.

f???? - June 11, 2014, 2:15 pm

I Google'd the method and it does go back a few years. I'm not going to argue about it man, just saying what I think.

Mr. Sultan - June 11, 2014, 10:54 pm

I was given this method (yes, leaked. Wasn't sure what it was as it was sent over skype and it said "more than one file sending" or some bullshit). I have a better method than this (super private) but this is unique and unheard of.

I don't vouch for people but this method was unbelievable when I first saw it. I deleted the Ebook as I have a method pushing me \$150 a day on Autopilot but this method is actually released, cheap, and has some serious motherfucking potential. I'll have my Ebook up soon, too. ;-)

f???? - June 12, 2014, 2:42 am

I guess the keyword being HF. Maybe not, but I found it on Black Hat.

The worst thing about your ebook, is your vague and uninspired support and reluctance to give refunds. Shady dealings IMO, and not saying all of your vouch's are undeserved, but I have to question the validity of DaPiranha.

So to any interested in buyer, keep these things in mind. Again, I suggest finding a premium VCW and not buying ebooks at all.

Mr. Sultan - June 12, 2014, 2:51 am

Not very detailed. Very vague. If it was detailed as you claim, I wouldn't have been asking for as much help as I was needing, because the guide is vague.

Mr. Sultan - June 12, 2014, 3:03 am

(Jun 12, 2014 03:00 AM)FaustianEchoes420 Wrote: [\[CITE\]](#) Not very detailed. Very vague. If it was detailed as you claim, I wouldn't have been asking for as much help as I was needing, because the guide is vague.

It's not vague, the guide is designed in a way so that I can provide support and help. After all, what will be the use of support.

f???? - June 12, 2014, 3:07 am

So are you saying you were intentionally vague in the guide, so that people like me would come and Skype you for support, only to be told "Read the guide lol"?

Look, it's petty to argue about it.

Bottom line, my experiences with the OP and his product were less than adequate. There are simply easier ways to go about ewhoring.

Will not post in this thread again, I've said my piece.

Mr. Sultan - June 12, 2014, 3:11 am

Bottom line, my experiences with the OP and his product were less than adequate. There are simply easier ways to go about ewhoring. Nop my ebook wasn't vague. It gives quite a bit of details and tells you to ask for support if needed. The questions you were asking for help were already

answered in the ebook, which shows your lack of focus on it. And i never said that they aren't easier ways of e-whoring, they are many easy ways if people work on it. What i did say is that my book is one of the safest ways, and it has proved to be so.

f???? - June 12, 2014, 3:18 am

The questions being asked, were being asked because your ebook DID NOT cover the details. Your ebook is vague, and your support was vague.

Ask yourselves this guys, if his method was so great and he made so much money off of it, why would he package it up and sell it when his alleged earnings are FAR more than a measly \$15 he's selling the guide for? I'll tell you why. Because this method is old, saturated, and his goal is to make money off of you not knowing any better. Save your money guys, buy a premium VCW and follow the already free information provided on this site and others.

EDIT: As for his earnings proof, and for the vouches showing "proof", it is not hard to falsify paypal statements, especially with Google Chrome's inspect element/edit HTML feature.

For example;

Just recieved a vouch copy of this. As a very expierenced eWhorer, I will give an honest opinion on the EBook.

I can honestly say that I've never seen this method before, albeit I haven't tried the method out, I could only assume this method will make you a lot of money. It is well written, well explained and I'm sure his Skype support is nothing less than HQ. He provides you with what to say, and how to earn the money. Little to no grammar mistakes, and it is written in simple English. Nothing but high quality.

I had of bought this EBook, I would be extremely happy with my purchase. Great EBook man!

Mr. Sultan - August 4, 2014, 12:29 pm

I can't in good faith give this my vouch. While the method can POTENTIALLY work, I don't see the method as being superior to the free methods available such as KIK or Craigslist. In my opinion, you are better off reading the free help threads and purchasing a premium, unsaturated VCW. This method is frustratingly complicated, and I haven't been able to get in touch with anyone who has had success with the method aside from the OP, who while helpful, is also frustratingly vague. Meanwhile, I purchased a premium VCW and made my money back on it plus this ebook and then some just using free information. I also don't trust any of the people claiming to vouch, because none of them had any idea what I was talking about when I asked them for help

It's your money though guys, just my review.

Dickbutt.scr - August 6, 2014, 1:22 pm

So mind logging in and showing me your avatar? Let me watch a day in the life of someone who uses this method with success.

I am on vacation and I have little to no time of even using a laptop to use the method

PM me when you get back then.

If it's no trouble.

No problem mate, just don't seem to understand why you start flame wars, it will get you nowhere

I'm extremely interested in this product, I will likely purchase this soon. Nice thread design by the way my friend.

Wow. Simply fucking amazing. I wanted to go to bed an hour ago, but I stayed up to read this E-Book purely because the tactic is far superior to that of which I have seen so far.

I'm going to take a break tomorrow, as I have been E-Whoring for the past week. After I refresh myself and get motivated tomorrow, I am going to try your method on Friday. After I try the method I will report back here hopefully with earnings.

Grammar: 10/10

I read through the book flawlessly. Your English is perfect, Sultan.

Layout: 9/10

Very easy to follow. I had no problems understanding anything in this E-Book, it looks great. The only thing I would recommend is making it look more professional by adding css-like elements to the design. It looks great but upgrading the book design with new fonts, new pictures etc is always a good idea.

Method: 10/10

This method has surpassed any other method I've ever seen online. Very original idea, very intuitive. I haven't tested it out yet, but I will update this post on Friday when I do try this tactic.
