Thread: [Affordable SJDB / TJDB -](#)

Iduex "The Judge" - June 4, 2014, 1:27 pm

Since I have just started on HF. Until I get my popularity up I will be selling at a lower cost to build trust in our fellow HF members.

\$5 For the files needed for your SDJB.

Question: With the new updated Java 7 update, does ur SJDB require Java's default settings for web browser security to be reduced to medium?

A plugin based exploit which run your payload, I'm not good enough to mentor yet by any means!
But I can set it up and explain how it works. If your looking for more than that I recommended
