Thread: [List of Site's to get Free Backlinks](#)

ViRuS.exe - June 4, 2014, 1:42 pm

#1: <http://smallseotools.com/backlink-maker/>

#2: <http://www.pingbomb.com/>

#3: http://www.imtalk.org/cms_index.php?pageid=IMT-Website-Submitter

This will help your Site get Started on Link Building.

Hope you Enjoy ?

Is this safe for SEO on Google? I've read that these types of services can penalizes your ranking. In other places people have said it doesn't matter.

Mikey13 - June 5, 2014, 7:05 am

These links are worthless and expire after two minutes.
