Thread: [\[FULL RELEASE\] 16756 XEBUILD GUI, J-RUNNER, & DASHLAUNCH](#)

?Nuski - June 4, 2014, 5:15 pm

Well, I saw a member posted the xeBuild update files,, this will load plugins like normal.

Have a nice day

Not taking credit for this just spreading to the HF community

Updated XeBuild GUI Download:

Does this work? I can update my dash now?

XPGXatoku - June 4, 2014, 6:47 pm

Is this the official version of xeBuild?

croat77 - June 4, 2014, 7:11 pm

(Jun 4, 2014 06:47 PM)XPGXatoku Wrote: [\[CITE\]](#) Is this the official version of xeBuild?No but it the most recently released version with updated files for the new dashboard.
