hey hf i wrote a song and i wanted to ask what you guys thought about it:

please dont jwalk there
youll get a ticket
this is new york
and you cant get away with i-i-i-i-t
youre the sugar to my honey, the mango to my fruit
baby please dont jwalk there
youll get a ticket
this is new york
and you cant get away with i-i-i-i-t

if you're feeling sad, dont worry
ill bail you out
yeah ill bail you out
for jwalking, even though
i told you not to
yeah ill bail you out
of the new york jailhouse
just wait by the phone and i'll be there
(Dramatic song ending music here)

Thanks, let me know hf!

Great lyrics, I live in LA and I know some producers. This is perfect radio material. I'll try to hook you up with a demo, what's your contact info?

This is my shit.

If you can get a beat and get someone to sing it (preferably me as I have a great singing voice), I would pay top dollar to even just listen to it.
