Thread: [\[Auto-buy\]\[\\$5\] Regenerating Revenue \[Cheap Money Making Solution\]\[100% Working\]\[New\]](#)

StraightMonster - June 5, 2014, 6:19 pm

Standard version \$5 - <https://sellfy.com/p/UqYR/lhsEf/>

Premium version \$7 - <https://sellfy.com/p/J2XO/lhsEf/>

The non-upgraded version is the regular eBook, no skype support & no refund if you make no money within a week period

The upgraded version is the regular eBook, but with skype support from me & if you make no money within a week I will give you a refund. But you have to show me proof that you tried the method I gave in the eBook.

If you need to contact me, my skype is matthew.sylo or you can personal message [uhJuden](#)

Terms of Service

Do not leak the eBook

Do not refund without my permission, this will become a dispute

Do not sell to other people without my permission

Vouches: Spoiler ([Click to View](#)) (Jun 4, 2014 06:18 PM)Sojin Wrote: [\[CITE\]](#) I've received a vouch copy.

First off I want to say that the mediafire version of this E-Book is incredibly difficult to read, whether it's the font or compressed. It has a pre-set template that you can use when you purchase the E-Book and has pictures with descriptions making it easy so that anybody can follow.

What do I think?

Well... you honestly can have 0 skills in the making to make this work, which is a good thing but that's not the hard part. The hardest part (as usual) is finding the right customers. I don't think you can make \$400 a day doing this, even if you put in the time. Yeah you'll make money, but nothing insane or crazy. Personal experience differs, but from my own, it just doesn't happen like that.

(Jun 5, 2014 12:03 PM)Diclonius Wrote: [\[CITE\]](#) got a vouch copy

Quality: 9/10

author goes into detail how to pull off the method easy simple to understand

Originality: 8/10

seen similar methods but not like this one

Ease of use: 8/10

easy to pull off some setup is needed but you can pull it off in 15 minutes before executing the method

Grammar: 10/10
no grammar errors

Overall: 8/10

easy simple noob friendly you do need to have a bit of business etiquette but anyone can pull it off worth the money overall since it isnt easily saturatedanother vouch here (Jun 5, 2014 06:23 PM)

Tutorial Wrote: [\[CITE\]](#) I was given a vouch copy of this product.
I am in no way affiliated with this product.

Quality: 10/10

A lot of time was put into making this E-Book, as pictures are included, to make it look very nice.

Originality: 10/10

This method is completely unsaturated, you might of thought of this before, but you have never used this. I have never seen anyone use this method before, and it will work.

Ease of use: 8/10

Everything is provided for you to use, but at times it is difficult to understand. You will get the gist of the E-Book after a couple times reading.

Layout: 8/10

The layout is decent, but at certain parts, this E-Book becomes blocked up, to where your eyes will strain reading it.

Grammar: 8/10

Great spelling, but somewhat difficult to understand what the author was trying to say at times.

Overall: 9/10

Aside from the only decent layout, the method is guaranteed to make you money, quick. There is so much to say, but if I said anything, the method would be given away. I highly recommend this.

Review

Hello guys

My name is Mord FustanG and today I got my hands on this eBook!

I will give my honest option on this book, so sit back and enjoy ^^

What is this?:

this is an eBook that will help you in your journey to become get you a new way money making guide

you learn close to anything there is worth learning about!

Is it effective?:

The method is unique and made from a known methods but there is an smart twist to make more cash from this method

Read able:

(just look at this review? I mean there is most likely a lot of mistakes... But who cares?)

The guide is read able and there is only a few mistakes.

Overall:

The guide are worth 5-7 bucks and should be purchase if you wanna get better you can implement your own ideas can make more ^^

Thank you for your review! Means a lot, tell your buddies.

Heulen - June 6, 2014, 3:27 am

Grammar: 6/10

there is quite a lot of grammatical mistakes but i can certainly understand all sentences, it's not hard to read.

Originality: 7/10

The method is not original because i saw it in 1 more E-book.

Content: 9/10

There's a lot of information in the method and i certainly know what i need to do to earn money now. there was however supposed to be a picture but there wasn't, i suggest OP looks through the E-book once more.

Overall: 7/10

I think the E-book is nice. you can certainly earn some money and it isn't that hard. i would suggest buying it because it's very cheap, worth the money!

-Olympus - June 6, 2014, 4:52 am

Hello my name is -Olympus and I'm here to review uhJuden's e-book. Please note that this is my honest opinion on the e-book and I'm in no way asociated with the author.

Quality [8/10]

-The quality of the e-book is over all greate, contains 6 pages of information, along with many pictures to make the method more understandable.

Ease of use [9/10]

-This e-book will teach you how online marketing works. The method does require some social skills, but the author of the e-book covers every step from how to talk with your clients, to how to pull the most out of them.

Grammar [5/10]

-OP you should really put more effort in the writing part. There are many grammar mistakes in the e-book, but despite the errors, everything is understandable as it is.

Layout [7/10]

-The layout is simple.Black writing on white tamplate,not hard to read and uderstand so I can't complain about it

Originality [8/10]

-The ebook contais basics about online marketing,but the method it self is used in a very diferent way and you are literally spoon feeded by the author.The method is original and I will give it a well earnd 8.

Overall [7.8]

-Overall it's a greate e-book with a lot of information.The method can't get saturated and you can earn a lot of money out of it.It's worth the money and it's a must have if you are in to online marketing.GLWS

StraightMonster - June 6, 2014, 7:37 am

Thanks for all the vouches! It means a lot to say that an HF eBook actually works!

Gus - June 6, 2014, 8:27 am

Ill take a vouch copy if you are still giving them out.

Oak. - June 6, 2014, 11:53 am

(Jun 6, 2014 08:27 AM)What. Wrote: [\[CITE\]](#) Ill take a vouch copy if you are still giving them out.

I will message you now about it. I am no longer giving out vouch copies unless I think you deserve it.
