What in the world is the purpose of this thread? You're showing us a GIF of how you make a MessageBox appear?

Wtf.

\$lick - June 6, 2014, 5:47 am

I made one of these as well, Just for you OP.

I love this thread so much, but I am actually planning on starting a Facebook Message Bomber c: maybe for free or paid ^.^

DBots - June 6, 2014, 2:41 pm

Not sure if this is really for facebook but it is definitely a messagebox bomber.
