I'll give you guys a hint, but I guess that'll kinda give the whole thing away.

Hint ([Click to View](#))ASCII85

MissChiff - June 7, 2014, 1:01 pm

I did a contest similar to this with a PayPal prize.

Seife?r - June 7, 2014, 1:02 pm

lol link did not work for me o-o
not sure if thats what its meant to do

Fizzie - June 7, 2014, 1:04 pm

Don't worry guys nothing to see here.
Cracking these riddles since 85' i got this.

Erwin Schrödinger - June 7, 2014, 1:05 pm

I have taken the wrong turn according to IMGUR. :(

t0rch - June 7, 2014, 1:06 pm

Well I got the first part done ?

Rayyy - June 7, 2014, 1:06 pm

You're supposed to fix the link. It's pretty easy.

(Jun 7, 2014 01:06 PM)Vince? Wrote: [\[CITE\]](#) It's the link to your next riddle:
That's not the end of it. You have to figure out what these set of numbers will lead to.

Vince - June 7, 2014, 1:08 pm

Alright, figured out the first part. Sorry for posting it, did not know we weren't supposed to!

Rooter - June 7, 2014, 1:10 pm

It's okay! Make sure you PM me when you're done.

Perfectionist - June 7, 2014, 1:13 pm

Lol Im stuck on the second part... like wtf are we supposed to do there :P
Hint :3?

Hint :3?

Private message me what you have so far and I'll give you a tiny hint.

Erwin Schrödinger - June 7, 2014, 1:18 pm

I do not manage to figure out the 3rd puzzle. :/

SIM-1096442 - June 7, 2014, 1:22 pm

What, I posted on the wrong thread xD

Rayyy - June 7, 2014, 1:37 pm

I'm glad some people were able to get this far in the riddle. However, no one has finished it yet.

Perfectionist - June 7, 2014, 1:48 pm

You guys thought the second part was hard... wait until you get to the third one :p

The third part is the hardest. If you solve it, you get one more image which consists of codes that are absolutely easy to decode.

Kevin?? - June 7, 2014, 2:01 pm

Looks like a fun competition I may join in soon. Thanks for hosting this Ray!

x41N - June 7, 2014, 2:05 pm

Wow I think I got to the 3rd part all by myself YISSS!

Erwin Schrödinger - June 7, 2014, 2:06 pm

Yay!
I won the puzzle! :D (I think.)
Thanks alot for this great puzzle! It was a real joy spending my Saturday evening figure this out. =)

Rayyy - June 7, 2014, 2:08 pm

Congratulations to [Erwin Schrödinger](#) for being the first to complete the puzzle! [BinKill-Ethical](#) comes in second place.

You're welcome! Always be sure that there is more to come.

x41N - June 7, 2014, 2:14 pm

Dammit, thought I had it I am going to have to PM you really quick!

Perfectionist - June 7, 2014, 2:20 pm

Damn, I was hoping I could reach atleast the second place.. :c
Feeling bad

Rayyy - June 7, 2014, 2:33 pm

Don't feel discouraged if you couldn't get first place! I'll definitely be doing more riddles in the future.

Zen???????????????? - June 7, 2014, 2:34 pm

I'm still stuck on the link after decoding the first part.

This isn't a riddle, it's just a 'try and crack my encrypted hash' thread..

Rayyy - June 8, 2014, 2:43 am

I have updated the main post with a new riddle. Good luck!

CounterStrikeGO - June 8, 2014, 2:56 am

I solved the second one.

Too easy.

Is number #2 a suicidal person?

Idk all I can think of

Erwin Schrödinger - June 8, 2014, 3:39 am

What a great 2nd riddle!

I would recomend everyone to try it.
