Sony just took a shit on Microsoft. How does everyone at Microsoft feel right now?

GTA V is coming to PS4 in Fall 2014 and PS3/360 gamers will be able to transfer their account data over to the PS4.

Thanks to ViN for the info and link, it's also coming to Xbox One and PC.

YEESSSSS this just made my day right here

Canon - June 9, 2014, 8:00 pm

Did they mention anything about porting it to PC? :(I don't wanna have to spend lots of money buying a TV and a PS4.

ViN - June 9, 2014, 8:00 pm

Also coming to Xbox one and PC, so calm down. <http://youtu.be/3DBrG2YjqQA>

I was about to organize a riot if they didn't announce it for the Xbox One and PC.

Ortega - June 9, 2014, 8:06 pm

any word on heist though if that fails then not even Ps4 can save the game

If there's one thing that rockstar can do right, it's make damn good, enticing trailers.

Caillou - June 9, 2014, 8:15 pm

Fuck the title
Fuck PS4 lol

It's coming for PC & XBOX ONE! :D

Edit: SHIT 4,000 POSTS GOD DAMMIT

Flog Gnaw - June 9, 2014, 8:17 pm

LETS FUCKING GOOOO!

Been waiting forever for this on PC!

Tyler? - June 9, 2014, 8:23 pm

Must be why heists aren't out yet...

Yea, probably. I foresee that they release Heists with the launch of GTA V on PS4, PC, and X1.

'Soldier - June 9, 2014, 8:31 pm

Finally a reason for me to get the PS4 now!

Mr. WAVES - June 9, 2014, 8:45 pm

Yayyyy !! I was waiting for this so long !!
