Thread: [Main Charecter w/ Glasses?](#)

Anime Fanboy - June 11, 2014, 1:42 pm

Has anyone ever seen an anime where the main charecter wore glasses?

:3

Mirai is one my favorites (refer to my display picture). If you need a list, a list is what you'll get.

Ano Natsu de Matteru

Mayo Chiki!

(Both are really good btw)

Same here, love Kyoukai no Kanata

I believe that Love Hina's male main character wears glasses

Detective Conan if that counts. Can't recall any other which is probably because I don't watch much anime.
