Thread: [Need a site to download anime to tablet](#)

KingOfSleeping - June 11, 2014, 11:06 pm

So I have a Surface 2 can I download anime onto it and recommend me a site Just till I get Crunchy Roll?

neightworks - June 11, 2014, 11:20 pm

"Anime Watcher" Is a free streaming app that has every anime possible, they also have a manga app.

Why can't you just use crunchy roll on the tablet?

Aside from that you can always download on a computer and convert or if the tablet supports mkv file types then just use utorrent on the tablet and download that way.

I don't have much knowledge on a Surface so I can't help you much with spec issues but just look around some.

KingOfSleeping - June 11, 2014, 11:49 pm

Thanks Nater just downloaded the app?

TheElo124 - June 12, 2014, 10:25 am

ever heard of a magical thing called torrents

you can, its very easy actually, utorrent even has an android app lol.

KingOfSleeping - June 12, 2014, 1:26 pm

I'm on a Surface the app store has almost nothing on it

TheElo124 - June 12, 2014, 2:21 pm

doesnt the surface have a full windows install?

Spyware - June 12, 2014, 4:49 pm

if it is not a Surface pro then it is win8-RT basically windows 8 but you can only install from the windows store.

TheElo124 - June 12, 2014, 4:53 pm

what why would anyone be stupid enough to buy something as shit as that..... dude just install ubuntu on it and you will be good to go or if you want a more windows look go with zorinOS
