TryAgain (13)

?GoAerox™ (26)

I have removed everyone that entered within the last 2 weeks that isn't wearing the signature, because that is against the rules. I don't know about the people who entered earlier than that. Do you see why it should be drawn on post number? There are just so many people who didn't choose a number... I have put the post numbers in bracketes after their name. Just ignore the chosen numbers!

The contest ended 2 days ago. Flyin was supposed to announce the winner then but hes away so he cant. The requirements are you have to wear the sig for 2 weeks so unless you can cram 2 weeks in about 2-3 days its useless for you to wear the sig. Only poeple that have worn it for 2 weeks like me and ?eshCollider have a chance of winning.

It says on the first page when it ends. That post was mostly pointed towards people that had entered when if they looked one post above there's you can see people saying who won, Has it ended things like that.

the last time he was on was

07-16-2014 09:46 PM

even so he is gone why would he do a contest how is he going to be sure we all wore his banner during the contest time if he was away

to me it's a good way to get peeps to advertise for free and hope everyone that joined it just forgets it eventually cause that is what will happen

Flyin' - August 6, 2014, 5:42 pm

Hey guys, my flight just got here and my house still have a bad connection but I'm online. Just had a chance to catch up and I can see a big misunderstanding.

I was in Thailand and HF is blocked on Thailand, I couldn't find a VPN to login into and I didn't want to risk my Paypal and login to it and risk limitation.

Anyway I'm online now and I'll choose the winners tomrrow (You can count my word on that) I still got a lot to do but I'll fix everything.

I've already done 2 contest, I gave more money then I should've in the last one and there is no reason that I would scam people or make a fake one. Anyway winners will be choosen tomrrow (They'll get 10% more money for the hassle and I'll choose another winner with 1 more prize to make it up to you.)

I hope you understand and thank you :)
