Yeah I seen this and I was surprised. I'm going to definitely watch it when it comes out.

I wonder, will this be a recap or a sequel? My bet is on a recap, though hopefully it adds some new elements not seen in the series, provided it is a recap.

Honestly I hope it will be a sequel. Reasoning is below.

WARNING DO NOT READ THIS SPOILER IF YOU HAVEN'T SEEN EPISODE 10 of DATE A LIVE II! WARNING

Spoiler [\(Click to View\)](#) I hope it will due to the fact that Miku falls in love with Shido and with so many girls all over Shido's dick. I can tell it'll start some sort of drama between them, especially with Tohka. It all makes me so curious as to what'll happen afterwards so I'm definitely pressing forward towards a season 3 or the movie being a sequel!

^ To be honest...

Spoiler [\(Click to View\)](#)

I don't think it will be a sequel. It looks like they ended with a harem ending just like they planned from the very start (what else do you expect when you get 5? girls to fall in love with you)? I feel as though if they wanted to add drama to it, it should be a separate season in itself - there's no way they can create drama in 1 hour 40 minutes with the current character development they have set in place right now.

...just my two cents.

I hope it's not going to be a whack 20m OVA labeled as a "movie" other than that, looking forward to it.

Sorry about that!

Spoiler [\(Click to View\)](#) Sorry about that I guess I didn't state this clearly :p When I mean drama, I meant like the drama it was between Tohka and Shido temporarily when Shido first discovered Yoshino and Yoshinon!

^ Oh ok. Haha.

That would make so much more sense.

I will be waiting with the popcorn for when this movie will be out, so many good series and movies this year!

Don't forget there's still the Kurumi OVA in December to look forward to.
