Thread: [Need someone who knows how to use RainMeter!](#)

corrupted102 - June 14, 2014, 8:34 pm

Hey HF. i could really do with some help.. i found a awesome custom design and i have no idea how to apply it...

need someone pritty brainy.. i have instructions. but.. its in french.. im english..

Please can a awesome member or this awesome forum help a guy in need out!!!

Thanks HF

GL1TCH3D, you speak French ?

Since when ? ?

Since when ? ?

I live in the most French part of Canada (if you still consider the supreme independent state of Quebec part of Canada)

My first language was technically French but I was taught English more
