Thread: [Need Logo Replacement for forum](#)

Bluffer - June 15, 2014, 1:36 am

[img]http://hangoutzone.net/images/blackhat/logo.png[/img]

Need it to be this, but it needs to say HangoutZone instead of Blackhat Theme.

If anyone could do this, I doubt it'd be a hard project, I'm just not good with graphics, thanks!

It's not that hard if you can send me the font.

Fredriks - June 15, 2014, 1:55 am

Font is called HVD Comic Serif Pro.

There you go =)
